

SUPER MIDI COATING PUMP BRACKET

Get More Out of Your Super Midi Miller

The Picote Maxi Coating Pump is now available to be used with your multi-use Super Midi Miller.

Simply add on the adapter bracket to your Super Midi. You will then be able to securely lock the Maxi Coating Pump on the top of the Super Midi to use the Picote Brush Coating™ process.

USES, BENEFITS, PRODUCTS AND PARTS

- A simple adaptor bracket that is easy to add to the Super Midi Miller to enable the Maxi Coating Pump to be securely mounted on top.
- Renovate old or deteriorated pipes with the Picote Brush Coating™ system using the Super Midi Miller.
- Our certified 100% Solids Dual Color Epoxy resin is applied in multiple layers and provides a damp proof, corrosion resistant, and wear-resistant lining.
